## A WONDERFUL EXPRESSION OF DESIGN LEGACY WITH VISION.

---

At first glance, it's difficult to ignore superyacht designer Alberto Mancini's signature design language, which is in every curve of the Targa 65 GT's sleek profile. But when you begin to recognise it, you'll see why this motor yacht has such a striking appeal.

The foredeck is the perfect place to relax in privacy, while the sheer amount of space on the inside allows you to socialise on a bigger scale, especially in the extended saloon. The Targa 65 GT has been configured to maximise life on board, and whether you're alone or enjoying the company of friends, it is a stunning place to be.

## CRAFTED WITH ROOM FOR MORE

Although the flexible interiors offer plenty of space, the stunning design of the Targa 65 GT means there is more than enough room to fit in all of its innovative features.

# LUXURY BY DEFINITION MEANS SPOILT FOR CHOICE

In the spirit of building the perfect yacht at every possible level, we have also carefully created four different interior design schemes for you to choose from:

## Amalfi

Inspired by Liguria's local architecture, this scheme exudes the sunny warmth synonymous with fragrant Italian lemon trees and the umbrella-lined shores of the Amalfi Coast.

## Capri

Understated, earthy colours, effortlessly combined with rich natural textures. All the hallmarks of an interior design collection that is as gentle as the Mediterranean breeze.

## Hamptons

Evoking elegant vintage design cues, whilst offering a bold and contemporary interpretation of the luxury that was once the preserve of America's East Coast.

## St. Tropez

An ode to the sea where all manner of deep, oceanic blues tastefully swirl with muted greys, delicate creams and classic nautical motifs.
