We're going places. Join us.

CRAFTED TO PERFECTION. ABOVE AND BELOW THE WATERLINE.

Italian elegance, Dutch ingenuity and British craftsmanship is what makes the Targa 65 GTO a spectacular award-winner. Created by Italian superyacht designer Alberto Mancini, his innate sense of flair has led to this – a yacht that’s innovative, versatile and achingly stylish.

The extended cockpit is the place to plan the day’s adventures, while the spacious foredeck invites you to relax, whenever you want. With its ability to offer absolute peace and quiet, yet always ready to embrace all-out fun, this is what perfection truly looks like.

SAME ATTENTION TO CRAFT – NEW BOLD DESIGN LANGUAGE

The Targa 65 GTO is instantly recognisable as a Fairline. Combined with the rigorous and proven naval architecture by renowned Dutch firm Vripack, and matched with the usual unparalleled Fairline craftsmanship, it's a natural step for anyone who wants stunning good looks and creative flair from bow to stern.

IT'S THE MOST
WONDERFUL PLACE TO BE

LUXURY BY DEFINITION MEANS SPOILT FOR CHOICE

In the spirit of building the perfect yacht at every possible level, we have also carefully created four different interior design schemes for you to choose from:

Amalfi

Inspired by Liguria's local architecture, this scheme exudes the sunny warmth synonymous with fragrant Italian lemon trees and the umbrella-lined shores of the Amalfi Coast.

Capri

Understated, earthy colours, effortlessly combined with rich natural textures. All the hallmarks of an interior design collection that is as gentle as the Mediterranean breeze.

Hamptons

Evoking elegant vintage design cues, whilst offering a bold and contemporary interpretation of the luxury that was once the preserve of America's East Coast.

St. Tropez

An ode to the sea where all manner of deep, oceanic blues tastefully swirl with muted greys, delicate creams and classic nautical motifs.
